HOW IT WORKS :-

Riviera has 11 days default cycle and next cycle is $11+2 = 13$ days but if you direct 1 member with the same package in 1st cycle then your next cycle will be 11 days again. Your 3rd cycle is $13+3 = 16$ days But if you direct 1 in your previous cycle then your days will again become 13 and if you direct 2 then your days will again become 11. So you can do more and more directs to reduce your cycle days.
